Marketing <>= Advertising

MARKETING

- **“the science and art of exploring, creating, and delivering value to satisfy the needs of a target market at a profit. Marketing identifies unfulfilled needs and desires. It defines, measures and quantifies the size of the identified market and the profit potential. It pinpoints which segments the company is capable of serving best and it designs and promotes the appropriate products and services.”**

Dr. Philip Kotler,
Father of modern marketing

MARKETING

- Promoting and selling a product or service
- Reach customers
- Make customers aware of the product or service
- Make customers buy the product or service
